NOTICES OF MOTION

1. NOTICE OF MOTION IN THE NAME OF COUNCILLOR HUGHIE MC GRATH

"I call on Nenagh Town Council to withdraw from their Part 8 Planning Process in Annbrook Heights, as I believe, it is over intensive and taking up too much green space. I also ask that the Council enter into discussion with the residents on this matter.

1. NOTICE OF MOTION IN THE NAME OF COUNCILLOR CONOR DELANEY

"That Nenagh Town Council hosts a Civic Reception to honour the players and management of the Nenagh Eire Og Junior A Football Team on their fine achievement in winning the County Final".

2. NOTICE OF MOTION IN THE NAME OF COUNCILLOR CONOR DELANEY

"That Nenagh Town Council, in an effort to increase tourism and help local businesses during the economic recession, invites the Queen of England to Nenagh Town to coincide with her proposed visit to Ireland".

3. NOTICE OF MOTION IN THE NAME OF COUNCILLOR SEAMUS MORRIS

"Nenagh Town Council calls on the government to recognise the unique and vital role of the postal service in Ireland, particularly rural Ireland, as a means of communication, as a vital economic tool and as an intrinsic part of the fabric of the community.

Our postal service has a social value and an economic value, these must be properly protected as the government drafts legislation to open the postal market to full competition. Postmen and women provide an important public service and also function as an integral part of the social fabric of their community, particularly for the elderly and the isolated citizens whose only human contact might be their post person. Furthermore An Post's extensive delivery and collection network, is an intrinsic part

of the economic and business infrastructure of the country. Reaching every corner of the country and by delivering to every front door An Post is an essential partner in business from a marketing, payment collection and business generation point of view.

As Ireland prepares to liberalise its postal market, it is essential that the government acknowledges this important public service, ensures that the Universal Service Obligation is protected by legislation and does not allow the opening of the market to lead to widespread job losses, social dumping and an erosion in service levels as has happened in other countries who have already opened their postal market to competition”.
